I Like It

DeBarge

I've been thinkin'
'bout you for quite a while
You're on my mind everyday and every night
My every thought is you, the things you do
Seems so satisfying to me,
I must confess it, girlOoh... and I like it
You send chills up my spine every time
I take a look at you
Ooh... and I like it
Girl, you're blowin'
my mind with the things you say to meI like the way you comb your hair
And I like those stylish clothes you wear
It's just the little things you do
That show how much you really careLike when I'm all alone with you
You know exactly what to do
You put that fire inside of me
And make it more than just a dreamOoh... and I like it
You send chills up my spine every time
I take a look at you
Ooh... and I like it
Ooh... and I like itGirl,
let me run this by you just one more time
You're on my mind every day and every night
My every thought is on you, the things you do
Seems so satisfying to me,
I must confess it, girlOoh... and I like it
You send chills up my spine every time
I take a look at you
Ooh... and I like it
Girl, you're blowin'
my mind with the things you say to meI like the way you comb your hair
And I like those stylish clothes you wear
It's just the little things you do
That show how much you really careLike when I'm all alone with you
You know exactly what to do
'Cause you put that fire inside of me
And make it more than just a dreamI like it, I like it
I really, really like it
I'm for it, adore

So come let me enjoy itI like it, I like it
I really, really like it
I'm for it, adore
So come let me enjoy it (I like it)I like it (I like), I like it (That's right)
I really (I like), really like it (Uh, uh)
I'm for it (I'm for it), adore (I like)
So come let me enjoy it (Ooh... ooh... ooh...)Ooh... and I like
Ooh, I like it, ooh...

I'm just tryin' to satisfy you, girl,
you know I really like itSay baby,
I like everything little thing you do
The way you comb your hair
And every little thing you do
It shows how much you careSay baby, every time I take one look one you
I get chills up and down my spine
And I like it, I like it, and I like it,
and I like it, and I like it
