I Like It

DeBarge

I've been thinkin'
'bout you for quite a while
You're on my mind everyday and every night
My every thought is you, the things you do
Seems so satisfying to me,
I must confess it, girlOoh... and I like it
You send chills up my spine every time

I take a look at you Ooh... and I like it Girl, you're blowin'

my mind with the things you say to meI like the way you comb your hair

And I like those stylish clothes you wear

It's just the little things you do

That show how much you really careLike when I'm all alone with you

You know exactly what to do

You put that fire inside of me

And make it more than just a dreamOoh... and I like it

You send chills up my spine every time

I take a look at you

Ooh... and I like it

Ooh... and I like itGirl,

let me run this by you just one more time You're on my mind every day and every night My every thought is on you, the things you do

Seems so satisfying to me,

I must confess it, girlOoh... and I like it

You send chills up my spine every time

I take a look at you

Ooh... and I like it

Girl, you're blowin'

my mind with the things you say to meI like the way you comb your hair

And I like those stylish clothes you wear

It's just the little things you do

That show how much you really careLike when I'm all alone with you

You know exactly what to do

'Cause you put that fire inside of me

And make it more than just a dreamI like it, I like it

I really, really like it

I'm for it, adore

So come let me enjoy itI like it, I like it
I really, really like it
I'm for it, adore

So come let me enjoy it (I like it)I like it (I like), I like it (That's right)

I really (I like), really like it (Uh, uh)

I'm for it (I'm for it), adore (I like)

So come let me enjoy it (Ooh... ooh...)Ooh... and I like

Ooh, I like it, ooh...

Ooh... and I like

I'm just tryin' to satisfy you, girl, you know I really like itSay baby,

I like everything little thing you do

The way you comb your hair

And every little thing you do

It shows how much you careSay baby, every time I take one look one you

I get chills up and down my spine

And I like it, I like it, and I like it, and I like it,

Like it, like it, like it, like it,
