Do you want to

With motor mouth

That's her name

Motor mouth

She's insane

Chatter Chatter Chatter Chatter box (2x)

And a babombomba(4x)

She has got me (Got Me)

In a head lock (Head lock)

All she does is (Does is)

Talkity Talk Talk (Talkity talk talk)

She's Motor mouth

That's her name

Motor mouth

She's insane
