

Flower Of My Heart (& Bob Montgomery)

Buddy Holly

Do you think of me darlin'
While we're many miles apart?
Oh, please be true to me, my darlin'
For you are the flower of my heart Many nights I've sat alone
And I've worried over you
But I'll never worry, dear
If your love is true Please come back to me, my darlin'
For I can't live while we're apart
Come back, come back to me, my darlin'
For you are the flower of my heart
