

Big

Lemaitre

I guess this is all
Ms. Big, Mr. Small
Goodbye once and for all
I'm lucky I guess
To feel like this mess
Must mean we were real friends Welcome to Totoro's inn
Where all your other good friends live
I'll see you soon in a dream when I fall asleep
Please believe
However small, you meant the world to me
I'm really lucky
I know, but I still wish you didn't have to go Good memories live on after you're gone
Like words in a song
So this little tune, I wrote it for you
To keep you close when I'm blue Welcome to Totoro's inn
Where all your other good friends live
I'll see you soon in a dream when I fall asleep Please believe
However small, you meant the world to me
I'm really lucky
I know, but I still wish you didn't have to go I guess this is it, we'll meet in a bit
At the end of this train
La, la-la-la-la, la-la-la-la, la-la-la-la
La, la-la-la-la, la-la-la-la, la-la-la-la
La, la-la-la-la, la-la-la-la, la-la-la-la
La, la-la-la-la, la-la-la-la, la-la-la-la
La, la-la-la-la, la-la-la-la, la-la-la-la
La, la-la-la-la, la-la-la-la, la-la-la-la
