

# Still In Love Song

## The Stills

When we were lovers  
we were kissers  
we were holders of hands  
we were make believers  
just losing time  
and you said you'd rather live in t.v land  
than say that you care but you don't  
that's heartless and i will not cry  
but i'm still in love and i'm still in love  
yeah i'm still in love and i'm still in love  
your dreams of acting on screen  
what do they mean  
you'll be dancing senseless in your bedroom

and you find yourself out of a job  
and before too long you'll be selling lemonade  
to the overpaid  
and i'm still in love and i'm still in love  
and i'm still in love and i'm still in love  
and i'm still in love and i'm still in love  
i remember it was summer  
i was out of my head but you weren't your selfish and a  
waste of space  
but i'm still in love and i'm still in love  
and i'm still in love and i'm still in love  
and i'm still in love and i'm still in love  
and i'm still in love
