

# September in the Rain

Annie Lennox

The leaves of brown came tumbling down  
Remember, in September, in the rain  
The sun went out just like a dying ember  
That September in the rain To every word of love I heard you whisper  
The raindrops seemed to play a sweet refrain  
Though spring is here, to me it's still September  
That September in the rain To every word of love I heard you whisper  
The raindrops seemed to play our sweet refrain  
Though spring is here, to me it is still September  
That September in the rain
