

# Salvation Come

[\*\*Andrea Hamilton\*\*](#)

Verse 1:

Thank You for the faith, thank You  
Thank You for the healing when we pray  
Giving us a hope, a future  
Showing us that Love will now delay

Promise, make us brave and unafraid  
Promise, make us stand in these last days

Chorus:

Salvation come  
Salvation come  
Salvation come  
To the sons of man, to the children of Israel

Verse 2:

Shower down a fire, Your heartbeat  
Jealousy for all You call Your own  
Quickly You'll appear like lightning  
We await as watchmen for the dawn
