

# Light As a Bird

Melissa Otto

Light as a bird. . .I could fly  
That's the way I always feel  
When Your love melts away my fears  
For I had been tired. . .troubled mind  
Mistakes I wanted to hide  
How could I live for You ?

I'm as light as a bird  
For You have shown  
All my weaknesses You've known  
Still You pick me up, saying. . .  
"Together we can do it. . .Keep running"  
And so. . .the light I wanna show  
Is how You have loved me. . .  
Perfect

Light as a bird. . .I could fly  
That's the way I always feel  
When You're love melts away my fears  
For You have revived. . .breathed new life  
Through the dreams You poured inside  
Dreams and words deep inside my mind

For when I see You look at me  
I remember who I was made to be  
Fear and failure lose that path  
In Your eyes I see that You're still proud  
And so. . .the light I wanna show  
Is how You have loved me. . .  
Perfect

I'm as light as a bird  
For You have shown  
All my weaknesses You've known  
Still You pick me up, saying. . .  
"Together we can do it. . .Keep running"  
And so. . .the light I wanna show  
Is how You have loved me. . .  
Perfect
