

# Mr. Therapy Man

Justin Nozuka

Through the water  
And through the flames  
My baby left me  
Without a trace She took my money  
And left the ring  
And she didn't leave one clue  
Of where she was going to My baby up and left me alone  
She signed 'Goodbye' on the letter that she wrote  
My baby up and left me, now  
Mr. Therapy Man, I need to ask you how can I live on?  
Live on Hey, hey  
How could she do it? Break my heart away  
When she used to be the one crying when we were apart?  
I gave her all of me, gave her my soul  
And that was exactly what she stole from me Well my baby up and left me alone  
She signed 'Goodbye' on the letter that she wrote  
See, my baby up and left me, now  
Mr. Therapy Man, I need to ask you how can I live on?  
Live on 'Cause now she stole my heart away, she took my heart  
Took my money, she left the ring  
She didn't leave one clue  
Of where she was going to  
Oh no, oh no, oh no, oh no, oh no, oh no  
Mr. Therapy Man Through the water  
And through the flames  
My baby left me  
Without a trace
