

# Don't Go to Strangers

Tom Scott, Paulette McWilliams

Build your dreams  
To the stars above  
But when you need someone true to love  
Don't go to strangers  
Lover come to me  
Play with fire  
Get your fingers burned  
But when there's no place left to turn  
Don't go to strangers  
Lover come to me  
You give the call to follow your heart

You'll follow your heart, I know  
I've been around  
I'm an old hand  
I'll understand if you have to go  
So make your mark  
For your friends to see  
But when you need more than company  
Don't go to strangers  
Lover come to me  
Don't go to strangers  
Lover come to me
