One Irish Rover

Van Morrison

Tell me the story now, now that it's over
Wrap it in glory for one Irish Rover
Tell me you're wiser now, tell me you're older
Wrap it in glory for one Irish RoverI can tell by the light in your eye
That you're, you're so far away
Like a ship out on the sea
Without a sail you've gone astrayTell me the facts real straight, don't make me over
Wrap it in glory for one Irish Rover
Tell me you'll see the light, tell me you'll know me
Make it come out alright and wrap it in glory for one Irish RoverFor one Irish Rover
For one Irish Rover
For one Irish Rover
