

Waltz into Me

Hootie & The Blowfish

Years of trying to keep myself free
Now I find that I'm down on my knees
I kept hiding the feeling I had
Locked away everyday, Lonesome and sad
When I'm with you girl, the fear in me leaves
To be in your world is all that I dream
When I walk away you waltz into me
Softly, Slowly
Time has shown me the error of my ways
I try to find you day after day
Our time has come now, our friends have all said
Waltz into me, talk to me
Our love has no end
When I'm with you girl, the fear in me leaves
To be in your world is all that I dream
When I walk away you waltz into me
Softly, Slowly
I've hidden as long as I can[Bridge:]
I see it's all in my head
You're the best thing I've ever had
Won't you dance with me night after night
