Born To Run

Emmylou Harris

Well I never did crawl and I never did toe the line
No man is a master to me, I aint that kind
I just put on my travelin shoes
If you wanna win, you just cant lose the time
Or stay behindWell I was born to run, to get ahead of the rest
And all that I wanted was to be the best
Just to feel free and be someone
I was born to be fast, I was born to runWell, I take the chances for the time I made mistakes
But you dont get nothin unless you take the breaks
Livin as dangerous as dynamite
Sure it makes you feel nervous but it makes you feel alright
Makes you feel alrightWell I was born to run, to get ahead of the rest
And all that I wanted was to be the best
Just to feel free and be someone
I was born to be fast, I was born to runNobody gonna make me do things their way
By the time you figure it out, its yesterday
Well it comes to he who waits Im told
But I dont need it when Im old and gray
Yeah, I want it todayWell I was born to run, to get ahead of the rest
And all that I wanted was to be the best
Just to feel free and be someone
I was born to be fast, I was born to runI was born to run, to get ahead of the rest
And all that I wanted was to be the best
Just to feel free and be someone
I was born to be fast, I was born to run
