

# Key To The Streets (feat. Migos & Trouble)

YFN Lucci

I got money way before the deal  
Put my bitches in new pair of heels  
I might fuck your ho and pay her bills  
Yeah we was taught to get it how we live, yeah  
I got your ho on a leash  
Got a plug, he Vietnamese  
We the niggas they wanna be  
'Cause we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets Young nigga from the north  
Got my eye on the streets like a hawk  
Wrap 'em, put 'em on a boat  
Boy you better not choke  
If you ain't know, I run the north  
We got the key to the streets  
Everybody notice me  
Used to dream about 50 thousand in my jeans  
Now 50 thousand cheap to me  
Remember the days watching the Hot Boys and Master P  
Now I'm down in Miami, one phone call, I pull up on Weezy  
All of my niggas with me, you feel me  
Straps on everybody in the building  
All of niggas came from dealing  
Or either they kicking in doors and stealing  
I feel like I'm not having no feelings  
Before the fame, seen quarter million  
Came from robbing pizza man at the top of apartment building I got money way before the deal  
Put my bitches in new pair of heels  
I might fuck your ho and pay her bills  
Yeah we was taught to get it how we live, yeah  
I got your ho on a leash  
Got a plug, he Vietnamese  
We the niggas they wanna be  
'Cause we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets  
We got the key to the streets

Hey, we got the key to the streets I'm from the dirty, we play dirty  
All these sticks they dirty  
We don't fight, get murdered  
If my niggas say fuck you then I'm sorry for you  
If my niggas ain't fucking, then get out ho, hurry  
Real trapper never seen a drought, we gon' ship 'em out  
Any problem, we gon' air 'em out  
What they talking 'bout?  
We don't count we weigh it now  
No we ain't servin' no ounce  
We sip purple, we ain't never out  
We ain't never out  
Hit up Quavo, we gon' need another bando  
I'mma flood that bitch with more keys than a piano  
All these bitches say they love me, I'm so handsome  
Yeah they know 'bout Lucci go and ask 'em, they gon tell yaI got money way before the deal  
Put my bitches in new pair of heels  
I might fuck your ho and pay her bills  
Yeah we was taught to get it how we live, yeah  
I got your ho on a leash  
Got a plug, he Vietnamese  
We the niggas they wanna be  
'Cause we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets I got the key to the streets my nigga  
Just like Dr. Dre, he got the beats  
I come straight up out of 1500  
That's the block, my niggas over easy  
Double cup but no ice tea  
Pour me a four before I go to sleep  
Fuck around and landed in the hospital  
Geekin' off the Henn and the lean  
(Takeoff!)  
(Sup Skoob!)  
(Go head, take off)  
24/7, no day off, ballin' like we in the playoffs  
20 bitches at the playhouse  
You quick to freeze up when that K out  
If that bitch ain't tryna fuck I kick her out the house  
Like Martin, lil bitty bitch stay out  
They like to whoop me 'til them Ks out  
Get to looking for some ways out  
You niggas ain't workin', you're laid off

Trouble decapitate him, blow his face off  
Won't get it 'til these niggas laid off  
Assassinating, knock him off like I'm Adolf  
Been getting money, 19 with a 650  
Nut seen me stunting B.I.P BloodI got money way before the deal  
Put my bitches in new pair of heels  
I might fuck your ho and pay her bills  
Yeah we was taught to get it how we live, yeah  
I got your ho on a leash  
Got a plug, he Vietnamese  
We the niggas they wanna be  
'Cause we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets  
We got the key to the streets  
Hey, we got the key to the streets
