

# Hey (feat. 3oh3!)

Lil Jon

Turn the lights down low  
and let the DJ go  
until the speakers blow  
stay up till the break of dawn!

Take a sip of Jack  
you need a sip of that  
there aint no turning back

[Chorus]

Hey! I dont care  
I dont care

Whenever theres a party  
Im the first one with a drink in the air  
put em up, put em up!  
We can share  
Yeah!

Cause when we finish this one  
there will be another bottle right here!

Heeeeeey [8x]

When the basses low  
you work it nice and slow  
you let your body go  
shake it till the break of dawn!

You can take a shot  
of anything they got  
they tryin to table top  
But

[Chorus]

Hey! I dont care  
I dont care

Whenever theres a party  
Im the first one with a drink in the air  
put em up, put em up!  
We can share  
Yeah!

Cause when we finish this one  
there will be another bottle right here!

Heeeeeey [8x]

We dont want this night to end  
we wont sleep  
that weÂ'll do it again
