

# Landslide

**Mick Hanly**

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow-covered hills  
Well the landslide brought me down  
Oh mirror in the sky  
What is love  
Can the child within my heart rise above  
Can I sail thru the changing ocean tides  
Can I handle the seasons of my life  
Uh huh  
Uh huh, uh huh  
Well I've been afraid of changing cause I built my life around you  
But time makes you bolder  
Children get older  
And I'm getting older too

Well..  
Well I've been afraid of changing cause I built my life around you  
But time makes you bolder  
Children get older  
I'm getting older too  
Well I'm getting older too  
So take this love and take it down  
Yeah and if you climb a mountain and ya turn around  
And if you see my reflection in the snow-covered hills  
Well the landslide brought me down  
And if you see my reflection in the snow-covered hills  
Well maybe  
Well maybe  
Well maybe  
The landslide will bring you down
