

Listen To My Heart

Gareth Gates

Endlessly

Every time I look into your eyes

I see forever

I don't know why

But every time we touch I feel alive

There's nothing like it

People say that love can't be that strong

You might just believe it

We can show you, we can prove them wrong[Chorus]

Listen to my heart beat for you

Telling you that I adore you

If you want to know how much I feel inside

Listen to my heart come closer

Let me wrap my arms around you

There's nothing I can do

I'm so in love with you

Just listen to my heartAll my love

You really need to know that you're mine

I'm spending the lifetime

My whole life

There's nothing gonna stop us

cause we are

A once in a lifetimePeople say that love can't be that strong

You might just believe it

We can show you, we can prove them wrong[Chorus]I can't tell you what our future holds

But as long as we're in love

We're in life[Chorus]
