

# Sycamore Trees

## Dark Fortress

I got idea man  
You take me for a walk  
Under the sycamore trees  
The dark trees that blow baby  
In the dark trees that blow And I'll see you  
And you'll see me  
And I'll see you in the branches that blow  
In the breeze,  
I'll see you in the trees  
Under the sycamore trees
