

I'm Ready

Tevin Campbell

Yeah baby
Ah, come on Baby, it was uncool to love me
Then leave me standing here now
Without a goodbye
And maybe I am the fool you call me
'Cause I'll be here standing waiting
To hear you say to me I'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever more I'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever more Sometimes, when I'm alone I feel sad
I know you'll leave me once again
And take my pride
And maybe I am the fool you call me, yeah
'Cause I'll be here standin' waiting
To hear you say to me, yeah I'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever more See I'm ready
(You know I'm ready)
To love you
(To love you)
Forever baby
(Forever)
Hey love, now

Come love me forever more And once again I'll be right here

Waiting to share your love

But I hope this time for once

We'll forever mend it up See I'm ready

(You know I'm ready)

To love you

(To love you)

Forever

(Forever)

Hey love, now

Come love me forever more I'm ready

(You know I'm ready)

To love you

(To love you)

Forever baby

(Forever)

Hey love, now

Come love me forever more I'm ready, yes I am

(I'm ready)

(You know I'm ready)

To love you

(To love you)

Forever

(Forever)

And ever baby

Hey love, now

Come love me forever more I'm ready

(You know I'm ready)

To love you

(To love you)

Forever

(Forever)

Hey love, now

Come love me forever more I'm ready

(I'm ready)

To love you

Forever

(Forever)

Hey love, now

Come love me forever more I'm ready

To love you

Forever
