

# Bare

Lari White

Bare

Lari White - Chuck Cannon)BareBare

Your love has laid me bare

No one has ever made me dare so much

With one sure touch

Until you touched me. There

Where all my secrets hide

You look so deep inside you see

The real me

And still you love me. And oh,

I am so naked and exposed

Every flaw and blemish shows

And still I feel beautiful

'Cause you believe I'm beautiful. Bare

Like a child

Like a prayer. Your love has laid me

Bare...
