

# Changing Partners

[Helen Forrest](#)

We were waltzing together to a dreamy melody  
When they called out, "Change partners" and you waltzed away from me  
Now my arms feel so empty as I gaze around the floor  
And I'll keep on changing partners till I hold you once more  
Though we danced for one moment and too soon  
we had to part  
In that wonderful moment something happened to my heart  
So I'll keep changing partners till you're in my arms and then  
Oh, my darlin' I will never change partners again  
So I'll keep changing partners till you're in my arms and then  
Oh, my darlin' I will never change partners again  
Oh, my darlin' I will never change partners again  
Never again, never again, never again
