

# Spring Will Be a Little Late This Year

Carly Simon

Spring will be a little late this year  
A little late arriving in my lonely world over here  
For you have left me and where is our April love old  
Yes you have left me and winter continues coldAs if to say that spring will be  
A little slow to start, a little slow reviving  
That music it made in my heart 'cause time heals all things  
So I needn't cling to this fearIt's merely that spring will be a little late this year  
Yes, time heals all things so I needn't cling to this fear  
It's merely that spring will be a little late this year
