

# Here to Fall

## Yo La Tengo

There will be some happy endings  
There'll be dreams that don't come true  
But in the times ahead, there's love and dread coming  
All in all, it makes it that much harder for you I know you're worried  
I'm worried too  
But if you're ready, I'm here to fall with you  
What else is there for us to do? You'll push back against the sorrow  
Wait for the sun and we get through  
And if it glares too bright, we'll pull the shades but dim the lights  
That's just the way it is, but it makes it that much harder for you I know you're worried  
I'm worried too  
But if you're ready, I'm here to fall with you  
What else is there for us to do? What else is there for us to do? I know you're worried  
I'm worried too  
But if you're ready, I'm here to fall with you  
What else is there for us to do? I know you're worried  
I'm worried too  
But if you're ready, I'm here to fall with you  
I'm here to fall with you I'm here to fall with you  
I'm here to fall with you  
What else is there for us to do?
