

# For the Love of Ivy

## The Mamas & The Papas

I never thought I'd try for the love of Ivy  
I never thought I'd cry for the love of Ivy  
Somebody hide me from the love, the love of Ivy  
It takes up all of your time to fall in love with Ivy  
(Here cometh Ivy, Ivy) If I gathered all my means  
(All my means)  
In a pile beside me  
(In a pile)  
It wouldn't help to fill my dreams  
(Fill my dreams)  
For the love of Ivy Money cannot buy me  
Buy for me the love of Ivy  
I'm not the kind of guy  
Who falls in love with Ivy, Ivy For the love of, for the love of Ivy, yeah  
(Ivy)  
For the Love of, for the love of Ivy, yeah  
(Ivy)  
Yeah, for the love of, for the love of Ivy, yeah, yeah  
(Ivy) For the love of Ivy, for the love of Ivy  
For the love of Ivy, for the love of Ivy If I gathered all my means  
In a pile beside me  
It wouldn't help to fill my dreams  
For the love of Ivy Somebody hide me  
From the love, the love  
From the love, love, love, love  
It takes up all of your time  
To fall in love with Ivy For the love of Ivy, yeah  
For the love of Ivy, yeah  
For the love of Ivy, yeah
