

Vibes

Tove Lo

[Verse 1: Tove Lo]

Skin to skin

Seepin' in

Flickering, our eyes go wide

You giving me studded sight

Painting stars

In our hearts

Yeah, you know I'm down for you

I want you to lick my wounds[Pre-Chorus: Tove Lo]

What's your line though?

That I'm fine, oh

Heard that before

But somehow it means more

[Chorus: Tove Lo]

Dreamer, trippin' on your highs

These vibes, I feel 'em, ooh

Dreamer, trippin' on your highs

Feelin' all the vibes, ooh

Whisper pretty little things

Heart sings, I feel 'em, ooh

Dreamer, tripping on your highs

Feelin' all the vibes[Post-Chorus]

Do ya? Do ya? Do ya?

Do you feel 'em too?

I feel ya, feel ya, feel ya

Feeling so high falling into you

Do ya? Do ya? Do ya?

Do you feel 'em too?

I feel ya, feel ya, feel ya

Feeling so high falling into you[Verse 2: Joe Janiak & Tove Lo]

Break away

All the things stopping me from letting go

Temperature is taking hold

Heart beating faster and faster

I'll be your (you'll be my) brand new disaster

But I don't know

Seems like what you're looking for[Pre-Chorus: Joe Janiak]

What's your type, though?

Am I right? No

Heard that before
Still you want it more[Chorus: Tove Lo]
Dreamer, trippin' on your highs
These vibes, I feel 'em, ooh
Dreamer, trippin' on your highs
Feelin' all the vibes, ooh
Whisper pretty little things
Heart sings, I feel 'em, ooh
Dreamer, tripping on your highs
Feelin' all the vibes[Post-Chorus]
Do ya? Do ya? Do ya?
Do you feel 'em too?
I feel ya, feel ya, feel ya
Feeling so high falling into you
Do ya? Do ya? Do ya?
Do you feel 'em too?
I feel ya, feel ya, feel ya
Feeling so high falling into you[Bridge: Joe Janiak]
What's you type, though?
Am I right? No
Heard that before
But still you want it more[Chorus: Tove Lo & Joe Janiak]
Dreamer, trippin' on your highs
These vibes, I feel 'em, ooh
Dreamer, trippin' on your highs
Feelin' all the vibes, ooh
Whisper pretty little things
Heart sings, I feel 'em, ooh
Dreamer, tripping on your highs
Feelin' all the vibes
Tell me[Post-Chorus]
Do ya? Do ya? Do ya?
Do you feel 'em too?
I feel ya, feel ya, feel ya
Feeling so high falling into you
Do ya? Do ya? Do ya?
Do you feel 'em too?
I feel ya, feel ya, feel ya
Feeling so high falling into you
