## The Cure

Hello image  
Sing me a line from your favorite song  
Twist and turn  
But you're trapped in the light  
All the directions were wrong You'll fall in love with somebody else  
Tonight Help yourself  
But tell me the words  
Before you fade away  
You reveal all the secrets  
To remember the end  
And escape someday You'll fall in love with somebody else  
Again tonight
