Lust Forever

Zoot Woman

She could do her worst
My heart IÊ¼d swallow
She can do no wrong
My pride I swallow
Each moment that we spend together
Make it last forever
Each moment that we spend together
Make it lust forever
Leave whatÊ¼s gone behind
Bring no sorrow
Ignore mistakes we made
Our pride we swallow
Now I wake with you
Something to follow
Nothing left in the way
My heart I follow
Each moment that we spend together
Make it last forever
Each moment that we spend together
Make it lust forever
When all that we respect is pleasure
Make it last forever
Until we know just how to treasure
Make it lust forever
