The Girl

Toyen

I wish I could do better by you
'Cause that's what you deserve
You sacrifice so much of your life
In order for this to work
While I'm off chasing my own dreams
Sailing around the world
Please, know that I'm yours to keep
My beautiful girl
When you cry a piece of my heart dies
Knowing that I may have been the cause
If you were to leave, fulfill someone else's dreams
I think I might totally be lost
You don't ask for no diamond rings
No delicate string of pearls
That's why I wrote this song to sing
My beautiful girl
Ohh, ohh, ohh, ohh
One, two, one, two, three, four
I wish I could do better by you
'Cause it's what you deserve
You sacrifice so much of your life
In order for this to work
While I'm off chasing my own dreams
Sailing around the world
Please, know that I'm yours to keep
My beautiful girl
And when you cry a piece of my heart dies
Knowing that I may have been the cause
If you were to leave and fulfill someone else's dreams
I think I might totally be lost
But you don't ask for no diamond rings
No delicate string of pearls
That's why I wrote this song to sing
My beautiful girl
Ohh, ohh, ohh, ohh
Ohh, ohh
But you don't ask for no diamond rings
No delicate string of pearls
That's why I wrote this song to sing

My beautiful girl
