Vis Major

Into It. Over It.

Too fed up to fess up
You lie to get results
Trust in true conviction
Tracking victims for printed fictionToo stressed out, rejecting
Designed to show results
Devil on both shoulders
Getting even for getting overIn one ear
While deaf against the other
Loud and clear
Loud and clear
Against the other
I threw my hands up
I live to get results
At least they're not calling
So we're stallingIn one ear
While deaf against the other
Loud and clear
Loud and clearWell surely the person who let us down
Wouldn't soak up the credit to cash us outPatience pays to wait
We're the ones who wait for no one
Careful not to break
We're the ones
We're the ones
Patience pays to wait
In gestures far too minor made to wait
Gestures far too minor made to wait
Gestures far too minor made to waitYou're here
Now deaf against the other
Loud and clear
Loud and clearWell surely the person who let us down
Wouldn't soak up the credit to cash us out
