Bootie Call

Chick Willis

Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Never stop giving good love
'Cuz that's what I call you for
Never stop baby give it up
'Cuz I know where it came from you got more
I like playing games, and if it's all the same
You can bring it on with the ruff stuff
Then give me your love I don't wanna be tamed
I need a man to be a real man now
In order of what I got in store
Always finish what you start baby
And always having me beg for more
You know I wanna be a diggy down boy
But I don't get around
Jimmy has to ride in your pocket
Or lock him in your wallet
It's just a bootie call
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
Gaining you what is baby
Things are always good to have
You never let me down
I'm always happy, when you made me laugh
But don't try to find
This heart of mine
Emotions will come into my head, so don't be mislead

My heart doesn't need to be fed
Only tryin' to be smart baby
Don't need the roller coaster ride
I've been and seen and done it all yeah yeah
Don't want you messing with my mind
So don't be a fool
Keep this as your number one rule
Good lovin' is not always from the heart
You gotta be smart
Stay just the way you are
It's just a bootie call
It's just a bootie call
Bring it on, bring it bring it on now
Bring it on, bring it bring it on now
It's just a bootie call
Bring it on, bring it bring it on now
It's just a bootie call
{Do you really love me baby?}
It's a bootie call
It's a bootie call
It's a bootie
It's a bootie call
It's a bootie call
It's a bootie call
It's a bootie
It's a bootie call
