

# I Rock, Therefore I Am

## Prince

Uh huh, NPG to the maximum  
All the time world wide  
96 sound better, legendary tune I rock, therefore I am  
I don't need you to tell me I'm in the band  
I rock, therefore I am  
Right or wrong, I sing my song the best I can I don't need you to tell me what clothes to wear  
I don't want suggestions about my hair  
If the whole world buys your bullshit, I don't care  
I'd rather put on something that you won't dare I rock, therefore I am  
I don't need you to tell me I'm in the band  
I rock Legendary to the maximum  
NPG for now and forever Welcome to mendacity, sign your name  
See the world so pretty, wealth and fame  
They can put you on the field  
But you won't get in the game  
How many suckers knew that before they came  
Now you know I rock, therefore I am  
I don't need you to tell me I'm in the band  
I rock, therefore I am  
Right or wrong. I sing my song the best I can  
Therefore I am All you mean to NPG to the maximum  
Want you to understand somethin' asta Come me say, love, me say unto another  
Watcha them attack each and every vulture  
Or do you wants forget that P-R-O starts via pro  
Teachin' things in life you'll never know What for they dabble they don't understandsa  
They caught me comin' from the other Minnesota  
My flava will burn their earsa  
Awhen it comes to music this sir is no stranger Is the same kids you compliment  
The same ones that you were meant  
To rob an education from  
In a private school as opposed to one That yearly spits out another group of fools  
Into a system designed to fail  
Wait a minute, I just got some e-mail  
Somebody selling twelve CDs for a dollar  
Make me wanna holler  
Alright to the maximum I don't need you to tell me what clothes to wear  
I don't want suggestions about my hair  
If the whole world buys your bullshit I don't f'in care  
I'd rather put on something that world wouldn't dare 'cause I rock, therefore I am

I don't need you to tell me I'm in the band  
I rock, therefore I am  
Right or wrong, I sing my song the best I can I rock, therefore I am  
I don't need you to tell me, I'm in the band  
I rock, therefore I am  
Right or wrong I sing my song the best I can  
Clap your hands All I mean original for years, mon  
NPG natural, yes  
All I mean sho man  
Rock, rock, rock, I rock Come follow me, come follow me  
Come follow me, come follow  
H'here we come follow me, come follow me  
Come follow me, come follow Here we come follow me  
Come follow me, come follow me, come follow  
H'here we come follow me, come follow me  
Come follow me, come follow H'here we come follow me, come follow me  
Come follow me, come follow  
H'here we come follow me, come follow me  
Come follow me  
Watch out mon, gangsta  
NPG in the original pro nation  
Hear me though Yeah, make some noise if you're ready, NPG rocks the city  
Rugged and raw lift up your bra, show me your titties  
Don't be a dumb, son, grab your condoms and Bacardi  
Here's car keys, let's party You fake players walkin' streets in mean mug  
I be makin' records gettin' in the hot tub  
In this Minneapolis snow I'm fellin'  
Ready set to blow up like Mt. Saint Helen On your cord snorin' your flow borin'  
Sort of like channel 5 at 4 in the mornin'  
Adult [Incomprehensible] give up hope  
Grab the Devil by the throat, make him play the scapegoat In the runnin' with the bucket of cuttin's  
Wishin' I had duckets to live like Kirby Puckett  
Here comes the rumors I'm down with NPG  
I sign the contract, I'm doing the LP But woe, what a minute bro' go slow  
Ten dollars for the blow, no dollars for the ho'  
In the club trick holdin'  
Lookin' for a black magic woman  
Gang strong with dick holdin' I rock, therefore I am  
(Rock, rock, rock, rock, rock, rock, rock)  
I rock, therefore I am  
(Rock, rock, rock, rock, rock, rock, rock) I rock, therefore I am  
(Rock, rock, rock, rock, rock, rock, rock)  
I rock, therefore I am  
(Rock, rock, rock, rock, rock, rock, rock) I rock, therefore I am  
I rock, therefore I am

I rock, therefore I am  
I rock, therefore I am, yeahRock, rock, rock  
Rock, rock, rock  
Rock, rock, rock  
...
