

American Woman

Led Zeppelin

Huh, American woman, stay away from me

American woman, mama let me be

Don't come hanging 'round my door

I don't wanna see your face no more

I got more important things to do

Than spend my time growin' old with you

Now woman, stay away

American woman, listen what I say

American woman, get away from me

American woman, mama let me be

Don't come knocking 'round my door

I don't wanna see your shadow no more

Colored lights can hypnotize

Sparkle someone else's eyes

Now woman, get away

American woman, listen what I say

American woman, I said, get away

American woman, listen what I say

Don't come hanging 'round my door

Don't want to see your face no more

I don't need your war machines

I don't need your ghetto scenes

Colored lights can hypnotize

Sparkle someone else's eyes

Now woman, get away

American woman, listen what I say

American woman, stay away from me

American woman, mama let me be

I gotta go, I gotta get away

Baby, I gotta go, I wanna fly away

I'm gonna leave you, woman

A-bye, bye, a-bye, bye

Bye bye, bye bye

(American woman)

You're no good for me and I'm no good for you

(American woman)

I look you right straight in the eye an' tell you what I'm gonna do

(American woman)

I'm gonna leave you woman, you know I gotta go

(American woman)

I'm gonna leave you woman, I gotta go

(American woman)

I gotta go, I gotta go American woman, yeah
