Prayer Made the Difference

The Williams Brothers

Verse 1:
Many times in my life
Iâ€™ve come through the storms and rain
And time after time in my life
Iâ€™ve overcome heartaches and pain
But I always kept faith in God
Cause I knew somehow heâ€™d make a way
Kept trusting Kept believing
And always pray

Cause see through pray Godâ€™s strength in me and made me strong
Pray gave me courage to keep on keeping on
Prayer

Chorus:
Prayer made the difference (2xâ€™s)
For if it comes through my pray I declare
Prayer changes things

Verse 2:
Prays been a shoulder to lean on
And prays has been a comforter when it seemed like hope was gone
Its been my rock my salvation
And prays has been my shield
And if itâ€™s godâ€™s will ainâ€™t no wounds that pray canâ€™t heal

Cause see through pray Godâ€™s strength in me and made me strong
Pray gave me the courage just to keep on keeping on
Prayer
