Electric Pain

Alex John

All this time I'm running
Search to find your loving
What's life without that something
In my mind it feels like nothingWhat's its take to find, A love inside my mind
What it takes to hold A heart worth more then gold(Cus I know) I know you feel the pain
(When I go) and leave in pouring rain
(You scream) cus u know I'm the same
(And I know) its just electric pain
(Cus I know), I know you feel the insane
(When I go) and leave in pouring rain
(You scream) cus u know I'm the same
(And i know) its just electric painI'm searching for a soul
In a world where maps aren't sold
Trying to find a day
where life will show the way
cause I don't knowWhat's it takes to find A love inside my mind
What's it takes to hold(Cus I know,) I know you feel the pain
(When I go) and leave in pouring rain
(You scream) cause u know I'm the same
(And i know) its just electric pain
(Cus I know), I know you feel the insane
(When I go) and leave in pouring rain
(You scream) cause u know I'm the same
(And i know) its just electric painElectric pain
Electric Pain(Cus I know;) I know you feel the pain
(When I go) and leave in pouring rain
(You scream) cus u know I'm the same
(And I know) its just electric pain
(Cus I know), I know you feel the insane
(When I go) and leave in pouring rain
(You scream) cus u know I'm the same
(And I know) its just electric pain
