

# Rise Up

## Shemekia Copeland

She got a sink fulla dishes, and clothes on the line  
She gotta a sweet little baby and a husband she can't find  
She gets alot of free advice from her family and friends  
and it's gettin' to the point where she's gotta sink or swim

so she tells herself...To Rise Up (Rise Up)

She's gonna find something better rise up (Rise Up)

She's gonna get herself together

When life hits you like a truck, you gotta rise up  
(riff 2X)

She got a dead end job, but deep down she's got dreams  
so she's having a yard sale and pawning her wedding ring  
she gotta a new attitude cause she's sick and tired of crying all night  
come hell or high water she's gonna start a brand new life

So sit back and watch that girl...

Rise Up (Rise Up)

She's gonna find something better, rise up (Rise Up)

She's gonna get herself together

When life hits you like a truck, you gotta rise up Solo Rise Up (Rise Up)

She's gonna find something better rise up (Rise Up)

She's gonna get herself together

Rise up (rise up)

Rise up (Rise up)

Rise Up (Rise up)

When life hits you like a truck, you gotta rise up
