

Will It Go Round In Circles

Donny Osmond

I got a song that ain't got no melody
I'm gonna sing it to my friends
I got a song that ain't got no melody
I'm gonna sing it to my friends

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

I got a story, ain't got no moral
Let the bad guy win every once in a while
I got a story, ain't got no moral
Let the bad guy win every once in a while

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

I got a dance, I ain't got no steps, no
Gonna let the music move me around
I got a dance, I ain't got no steps
Gonna let the music move me around

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

Will it go round and round?
Will it go round and round?

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

I got a song that ain't got no melody
I'ma gonna sing it to my friends

Got a song that ain't got no melody
Gonna sing it to my friends

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird in the sky?

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird in the sky?
