The Garden

Kari Jobe

I had hope
But given up
Desperate for a sign from God
Something good
Something kind
Bringing peace to every corner of my mindThen I saw the garden
Hope had come to me
To sweep away the ashes
Wake me from my sleepI realized
You never left
Before this moment
You planned ahead
That I would see
Your faithfulness in all of the greenI can see the ivy
Reaching through the wall
'Cause you will stop at nothing
To heal my broken soulI can see the ivy
Growing through the walls
'Cause you will stop at nothing
To heal my broken soulYou're healing broken souls
You're healing broken soulsFaith is rising up like ivy
Cringing for the lightHope is stirring deep inside me
Making all things rightLove is lifting me from sorrow
Catching every tearDispelling every lie and torment
Crushing all my fearsYou crush all my fears
You crush all my fears
With Your perfect love
Your perfect loveNow I see redemption
Growing in the trees
The death and resurrection
In every single seed
