# Tell Me Something I Don't Know

## The Thrills

Tell me something I don't know
'Cause these streets ain't paved with gold
But vanity won't release meIf I learn to crash this plane
Oh, baby believe me, I'd go down in flames
Just don't leave home on these wordsBecause every town I pass through
Keeps reminding me of plans we used to share
So long foolsNo one ever chews off their leg
To escape with no hint of regret
But I know what you're thinkin'Problems follow like a parade
They walk through walls, never learn to wait
I say j-j-just don't leave home on these wordsBecause every town I pass through
Keeps reminding me of plans we used to share
Because every word will pass for miles
And follow you like teenage virginity
So long foolsAnd on and on and on and on and on and onBecause every town I pass through
Keeps reminding me of plans we used to share
Oh, it's alright, so long fools
