## Till the End of Time

## **Mariah Carey**

Ooh, I'ma love you till the end of time Ooh baby, I'ma love you till the end of timeClose to me

Oh, I need you close to me

Loving me

Close to you

How can I get close to you

Help me toWhy can't you see

I would give the world away

To have you by my side

Oh, I'm so in need

Each and every night I pray

You'll come and save my life

I will love you till the end of timeI think of you every moment I go through

Thoughts of you, I dream of you

All I have are so many dreams of you

Won't you please come trueWhy can't you see

I would give the world away

To have you by my side

Oh, I'm so in need

Each and every night I pray

You'll come and save my life

I will love you till the end, till the end

Till the end, till the end of timeTell me what you need

Let me give you all of me

But without you nothing's real

You're the reason that I feelTell me what you need

Let me give you everything

Every moment I'm alive

Until the end of timeWhy can't you see

I would give the world away

To have you by my side

Don't you know that I, I'm so in need

Each and every night I pray

You'll come and save my life

Oh, I will love you till the end, till the end

I will love you till the end of timeOoh, yeah, baby

Ooh, yeahOoh, love you till the end of time

Ooh, baby, I will love ya

Ooh, love you till the end of time

Ooh, baby, I will love you yaI love you till the end of time
Ooh, baby, I will love ya
Ooh, I love you till the end of time
Ooh, baby, I will love you till the end of time
