

Joe Clark

Young Dro

Smokin' act
Paul went up
Keep it clean up in my cook
Smokin' act
Paul went up
Keep it clean up in my cookNot if you're carrying on
Paul went up
Keep it clean up in my cook
Paul went up,
Paul went up
Paul went up
Smokin' act
Paul went up
Keep it clean up in my cook
Smokin' act
Paul went up
Keep it clean up in my cookEvery day I overcome
I swear I've seen
Mcs screwing up my dreams
We were swinging, 8 to 4
While you tasted it like kings underground
You know me and my squad moving slow abroad
So proud, there are times I call them Joker
Bitched don't feel about me
And when you're coming jagging that ass
I'll be a donkey
You all niggaz are monkeys
Where are your bananas?
I'm trying to put a...
Purple hurricans, that's what concerns me
Don't try to screw these niggaz on the league
Can't learn itAct overboard
Leaving me on my butt
Smokin' act
Paul went up
Keep it clean up in my cookSmokin' act
Paul went up
Keep it clean up in my cook
Smokin' act

Paul went upNot if you'carry all
Paul went up
Keep it clean up in my cook
Smokin' act
Paul went up
Keep it clean up in my cook
Smokin' act
Paul went up
Keep it clean up in my cook
Smokin' act
Paul went up
Paul went up
Not if you're carrying allKeep it clean up in my cook
Paul went up
Smokin' act
Keep it clean up in my cook
Paul went upLean on me!
