

# Bleeder (From the 'I Lied My Face Off' EP)

## Alkaline Trio

You came to me like a dream.  
The kind that always leaves  
Just as the best part starts.  
It ends so abruptly  
And leaves you stunned and naked  
In your bedroom all alone.  
It's kinda funny how something so soothing  
Gets interrupted by the ring of a telephone. And you broke me like the cigarette  
That I busted on the day I quit.  
But now that I've been drinkin'  
I'm out of smokes and I wish that I had it.  
Woke up to my daily headache  
And the realization that you are gone.  
Oh my sweet darling happiness  
You've been away from me all along. One thing that I never said  
I'm truly happy in my heart and in my head.  
A lonely liver suspended in liquid. You came to me like a dream  
The kind that always leaves.  
Just as the best part starts  
It ends so abruptly.  
And leaves you stunned and naked  
In your bedroom all alone.  
Kind of funny how something so soothing  
Gets interrupted by the ring of a telephone. One thing that I never said  
I'm truly happy in my heart and in my head  
A lonely liver suspended in liquid.  
It's one thing that I never did was swallow.  
Missing a case  
Lacking a lid  
My heart bleeds for what you never did.  
Never did. It's one thing that I never said  
I'm truly happy in my heart and in my head  
A lonely liver suspended in liquid  
It's one thing that I never did was swallow.  
Missing a case  
Lacking a lid  
My heart bleeds for what you never did.  
My heart bleeds for what you never did until now
