

This I Love

Guns N' Roses

And now I don't know why
She wouldn't say goodbye
But then it seems that I
Had seen it in her eyes Though it might not be wise
I'd still have to try
With all the love I have inside
I can't deny I just can't let it die
'Cause her heart's just like mine
And she holds her pain inside So if you ask me why
She wouldn't say goodbye
And I know somewhere inside
There is a special light still shining bright
And even on the darkest night
She can't deny So if she's somewhere near me
I hope to God she hears me
There's no one else
Could ever make me feel
I'm so alive I hoped she'd never leave me
Please God, You must believe me
I've searched the universe
And found myself
Within her eyes No matter how I try
They say it's all a lie
So what's the use of my
Confessions to a crime
Of passions that won't die
In my heart So if she's somewhere near me
I hope to God she hears me
There's no one else
Could ever make me feel
I'm so alive I hoped she'd never leave me
Please God, You must believe me
I've searched the universe
And found myself
Within her eyes So if she's somewhere near me
I hope to God she hears me
There's no one else
Could ever make me feel
I'm so alive I hoped she'd never leave me

Please God, You must believe me
I've searched the universe
And found myself
Within her eyes And now I don't know why
She wouldn't say goodbye
It just might be that I
Had seen it in her eyes And now it seems that I
Gave up my ghost of pride
I'll never say goodbye
