Room at the Cross

The Cathedrals

There's room at the cross for you there's room at the cross for you
Though millions have come there's still room for one
Yes, there's room at the cross for you, for you

The cross upon which Jesus died is a shelter in which we can hide
And His grace so free in sufficient for me
And deep is its fountain as wide as the sea

There's room at the cross for you, for you
There's room at the cross for you, for you
Though millions have come there's still room for one, for one
Yes, there's room at the cross for you
