Depeche Mode

Here is a song from the wrong side of town
Where I'm bound to the ground by the loneliest sound
Oh that pounds from within and is pinning me downHere is a page from the emptiest stage
A cage or the heaviest cross ever made

A gauge of the deadliest trap ever laidAnd I thank you for bringing me here

For showing me home

For singing these tears

Finally I've found that I belong hereThe heat and the sickliest sweet smelling sheets

That cling to the backs of my knees and my feet

Well I'm drowning in time to a desperate beatAnd I thank you for bringing me here

For showing me home

For singing these tears

Finally I've found that I belong

Feels like home

I should have known from my first breathGod send the only true friend I call mine Pretend that I'll make amends the next time

Befriend the glorious end of the lineAnd I thank you for bringing me here

For showing me home

For singing these tears

Finally I've found that I belong here
