Two Hearts

Stiv Bators

Yeah!When your love's a gamble and turns to shambles
There ain't no hurting like a broken heart
You start to drinking from too much thinking
Cant mend the pieces when you fall apartTwo hearts, it takes another baby
Two hearts, you know you made me cry
Two hearts, it takes another honey
One will always love ya, the other's gonna dieI'm on a junk food diet, I need some quiet
My friends all tell me I'm a total mess
Can't make decisions with mixed suspicions
Our words gonna end up near the glass (?)
Hey everyone knew it, but then you blew it
We were so cool, its such a shame
Had your reasons, for all your teasings
You point the finger, and shift the flame(?)Two hearts it takes another baby
Two hearts you know you made me cry
Two hearts it takes another, honey
One will always love ya, the other's gonna die
One will always love ya, the others will cryAm I losing you?
Am i losing you?
Am i losing you?
Am i losing you?You always always had to mess around
Everyone knew it, they put me down
Loved you alittle, tasted the groundWhen your love's a gamble, it turns too shambles
There aint no hurting like a broken heart
You start to drinking from too much thinking
Cant mend the pieces, you fell apart
I'm a .... (?!)
We were so cool, it's such a shame
I can't make decisions with mixed suspicions
You point the finger, it pointed to me, I said..Two hearts it takes another baby
Two hearts you know you made me cry
Two hearts it takes another honey
One will always love ya, the others gonna die..Two hearts it takes another baby
Two hearts you know you made me cry
Two hearts it takes another honey
One will always love ya, the others gonna die..Am i losing you?
Am i losing you?
Am i losing you?`
Am i losing you?Tell me...

Tell me..
Baby Baby..
Am i losing you?
