

Whisper In the Dark

Dionne Warwick

Come closer now
So I can see you in the dark
I wanna hold your body next to mine
I wanna hurry love and take my time Hold onto me
And let me feel you in my arms
Touch me and slowly steal my breath away
Then tell me things that no one would say And I wanna feel your heart
Here every night
And I long to hear your voice
Saying it's alright [Chorus]
To know you, so you
Whisper in the dark
Oh, oh, oh, oh, oh, oh
Stuck here in the night
I know
Touch me with a spark
Oh, oh, oh, oh, oh, oh
And as we join together, love
I'll never let you go Where we are is where I always want to stay
I love to kiss you
As we break apart and share the secrets
Deep inside my heart And I want to feel you
Right here every night
I long to hear your voice
Sayin' it's alright [Chorus] Never let you go Travel with me through time and space
Each night is all we need
Our love will be a private place To come to, so you
Whisper in the dark
Oh, oh, oh, oh, oh, oh
(In the dark)
Stuck here in the night
I know
Touch me with a spark
Oh, oh, oh, oh, oh, oh
And as we join together, love We will whisper in the dark
Oh, oh, oh, oh, oh, oh
Stuck here in the night
I know
(Come and touch me)

Touch me with a spark
Oh, oh, oh, oh, oh, oh Stuck here in the night
I know
Whisper in the dark
Stuck here in the night
I know
Touch me with a spark
Stuck here in the night
