

Silent Night

Cliff Richard

Silent night, holy night
All is calm, all is bright
Round yon virgin mother and child
Holy infant, so tender and mild
Sleep in heavenly peace
Sleep in heavenly peace
We've kissed the kids goodnight
We've got their stockings by the fire
A flame lights up the room and hand in hand
We watch it start to snow
The lights glow on the tree
And we drink last hot coffee
Your head's upon my shoulder
And they just played 'Mistletoe and Wine' on the radio
Silent night, holy night
All is calm, all is bright
Round yon virgin mother and child
Holy infant, so tender and mild
Sleep in heavenly peace
Sleep in heavenly peace
