

Yesterday's Song

Hunter Hayes

Oh, I used to sing it
And I used to crank it with the windows down
I used to love it
Oh, but I'm over it, I'm over it now I used to leave it playin' on repeat
I spun the record 'til it turned on me
The DJ knows exactly what I need
I need an out with the old, in with the new beat You were the rooftop on the top of my lungs
Blowin' the speakers in the back of my truck
And you had your chance, yeah, but I'm movin' on
And now it's just yesterday's song, yesterday's song
The soundtrack, every night in my bed
You were the woo-oooh gettin' stuck in my head
Now you're just a nickel when the feeling is gone
Baby, now you're just yesterday's song, yesterday's song We had a moment
There's no more magic in the melody
It's lost and you know it
It's just the sound of what we used to be Yeah, I used to leave it playin' on repeat
I spun the record 'til it turned on me
The DJ knows exactly what I need
A little dancin' could be good for me You were the rooftop at the top of my lungs
Blowin' the speakers in the back of my truck
And you had your chance, yeah, but I'm movin' on
And now it's just yesterday's song, yesterday's song
The soundtrack, every night in my bed
You were the woo-oooh gettin' stuck in my head
Now you're just a nickel when the feeling is gone
Baby, now you're just yesterday's song, yesterday's song (Oh, Yesterday's song) I got a whole new "hey" (hey)
I got a brand new "wooh" (hey)
I got new moves and old news
I got a new song I wanna sing to you
I'm gonna get by, I'm gonna get through without you You used to be the rooftop at the top of my lungs
Blowin' the speakers in the back of my truck
Yeah, you had your chance, yeah, but I'm movin' on
Now you're just yesterday's song, you're yesterday's song
The soundtrack, every night in my bed
You were the woo-oooh gettin' stuck in my head
Now yeah, I still let go when the feeling is gone
Baby, now you're just yesterday's song, yesterday's song Yesterday's song
Oh, the feeling is gone, if the feeling is gone

Yeah, goodbye, goodbye baby
Yesterday's song
