

Statue (The Pills Song)

Smith & Thell

My World was going under.
I needed love, but got a doctor.
I'm out of control, I'm out of control.
He gave me pills, to forget i missed ya.
Take some more, and you'll be better. And I'm out of control, I'm out of control. They say I've got 123, some
kind of ABC.
But that's all part of me.
Hey, there's pills for that too. There's pills for heartache, there's pills to fall in love too.
Go ahead take a picture, I might aswell be a statue.
A tourist attraction, I'll just stand there and smile.
Blank as a paper, there'll be no ups and no downs. You bet I'm stoned, you got me started.
And now I'm cold , I'm stone cold hearted.
And I'm out of control, I'm out of control. They say I've got 123, some kind of ABC.
But that's all part of me. Hey, there's pills for that too. There's pills for heartache, there's pills to fall in love too.
Go ahead take a picture, I might aswell be a statue.
A tourist attraction, I'll just stand there and smile.
Blank as a paper, there'll be no ups and no downs. Now here I am, I'm peeling of the stone.
Ye, piece by piece, the layer is falling of.
I'm on my knees, my lips is kissing the dirt.
If this is me.
I love the way it hurts! x5 There's pills for heartache, there's pills to fall in love too. But i won't be taken them.
Hell no, I won't be statue.
If you take a picture, I will stand there and smile.
Because I want to, I'll have my ups and my downs.
